

「Global Symposium of Innovation in Trauma Research Methodsのご案内」

Dear Trauma Colleagues and Injury Researchers,

We encourage you, colleagues, and your students to consider attending the upcoming Global Symposium of Innovation in Trauma Research Methods.

Abstract Submission is Open<<http://www.traumaresearchmethods.com/>><<http://www.traumaresearchmethods.com/>>>!

Visit our website [www.traumaresearchmethods.com](http://www.traumaresearchmethods.com/)  
<<http://www.traumaresearchmethods.com/>><[http://www.traumaresearchmethods.com](http://www.traumaresearchmethods.com/)  
<<http://www.traumaresearchmethods.com/>>> or follow the links below to submit an abstract and to register for the symposium.

GLOBAL SYMPOSIUM OF  
INNOVATION IN TRAUMA RESEARCH METHODS

June 12-13, 2018

Nationwide Children's Hospital Education Center  
700 Children's Drive, Columbus, Ohio 43205

REGISTRATION | CALL FOR ABSTRACTS |  
INFORMATION<<http://traumaresearchmethods.com/>> <<http://traumaresearchmethods.com/>>>

Abstract Submission Deadline: February 28, 2018

SPEAKERS

Monica S. Vavilala, MD

Harborview Injury Prevention and Research Center, The University of Washington

Donald B. Rubin, PhD

Department of Statistics, Harvard University

Donald Hedeker, PhD

Department of Public Health Sciences & Department of Medicine, The University of Chicago  
Biological Sciences

Peter F. Thall, PhD

Department of Biostatistics, M.D. Anderson Cancer Center, The University of Texas

Topics Include:

- \* Methodological Challenges: The State of Trauma Research
- \* Causal Inference Methods for Observational and Medical Record Data
- \* Cohort and Longitudinal Data Analytic Approaches
- \* Adaptive Clinical Trial Design
- \* Advances in Imaging
- \* Technology-Assisted Interventions (e.g. Virtual Reality)
